

AT A GLANCE

Wayne Christian School

Est. 1987

From the Administrator:

Here at Wayne Christian School, it is our mission to “assist parents and churches in the education of children, from a Biblical worldview, to impact their world for Christ.” This is not just our mission statement which hangs on the walls of our buildings, but it is a passionate commitment of our entire staff. All of us understand the importance of serving Christ through equipping and educating the students that have been entrusted to us.

Our primary goal is to bring glory to God and to educate the next generation of Godly leaders. God has brought together a wonderful group of faculty, staff, and volunteers in order to fulfill our goal. God has honored this goal by enabling us to excel in academics, arts, and sports.

-Paul Brenner

“The staff is caring and personal, the teachers are concerned about each student and their progress.”

We proudly offer 15 sports for middle school and high school.

WCS at a Glance

As a Christ-centered community school, we recognize that the primary responsibility for nurturing and training children falls upon the parents. Wayne Christian School is dedicated to providing a quality educational program that will support parents as they seek to “train up a child in the way he should go ...”, Proverbs 22:6.

Wayne Christian School is committed to developing in its students a proficiency in each subject while establishing a Biblical worldview that teaches students how to pursue and maintain a personal relationship with Jesus Christ.

We believe that each child is a unique creation of God and that each one has been endowed by Him with value, gifts, and talents. We also believe that students have their own unique styles of learning. Wayne Christian School seeks to provide a wide variety of learning experiences that are consistent with those individual learning styles and capabilities.

Wayne Christian School exists to complement the teaching in the home and church. Together we will strive to develop moral character, encourage spiritual growth, and provide opportunities for academic excellence. We encourage family involvement in the process through conferences, programs, social events, and other family ministries.

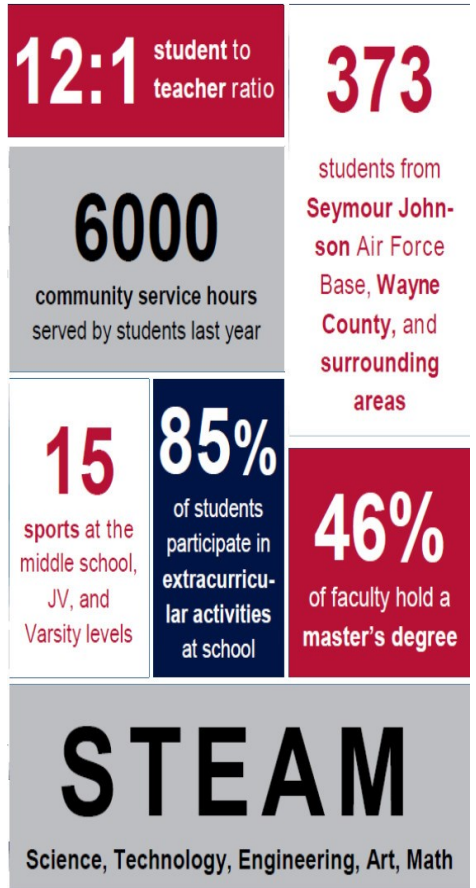

Thank you, again, for your interest in Wayne Christian School. Please prayerfully consider making it your family’s school. Start by completing the student application packet and returning it to the school office.

Our Mission

Wayne Christian School is a Christ-centered community school whose mission is to assist parents and churches in the education of children, from a Biblical worldview, to impact their world for Christ.

Our Vision

Treasure Christ. Train minds.
Transform lives.

Statement of Purpose

WCS exists to assist Christian families in the God-given responsibility of rearing their children in the discovery of the wonders of God's world and the wisdom in God's Word. WCS will facilitate each child's spiritual, academic, social, moral, and physical development through an educational experience in which the Lordship of Jesus Christ and the authority of the Bible are applied to all areas of the curriculum. The school's motto is 'In pursuit of wisdom and knowledge.' The motto conveys the school's dual focus of teaching students about Christ and the world He created and preparing them for a life of service to Him. By the grace of God, Wayne Christian school will fulfill the following responsibilities:

1. Provide a quality educational through a quality curriculum.
2. Lead children into a personal and saving relationship with God the Father through faith in the Lord Jesus Christ.
3. Foster trust in and obedience to the Word of God.
4. Teach the implications of Biblical truth to every area of life.
5. Develop in the students the proper attitudes toward God, themselves, family members, others, the local church, and their country.

Core Values

1. **Accountability.** As created beings we are accountable to God, our creator. The Bible teaches us that the saved will all stand and give an account of their faithfulness as servants. (2Cor 5:9-10) The unsaved, will receive eternal punishment for their rejection of Jesus Christ. (Rev 20:12) We are accountable to God. As our ultimate authority, God has delegated authority to the home, the government, and the Church. God expects us to submit to these authorities as unto Himself. (Rom 13:1)
2. **Integrity.** The manner in which we live our lives is testimony to our Lord and Savior Jesus Christ. We must be an example of the believer in everything we say and everything we do. Integrity is a vital part of our Christian witness. (1Tim 4:12)
3. **Purity of Heart.** The Scriptures teach that though man looks on the outward appearance, God looks upon the heart. (1Sam 16:7) God does not judge us by our behavior alone but by the heart motive behind our actions (Matt 15:17-20). God honors clean hands and a pure heart. (Ps 24:3-5)
4. **Progressive Sanctification.** Christ-likeness is not a one-time event or something that happens overnight. (2Cor 5:17) Christ-likeness is progressive and comes through a lifestyle of submission to the Holy Spirit and consistently hearing and doing God's Word. (James 1:22-25)
5. **Servanthood.** Jesus Christ left us an example of servant love for one another. (Jn 13:12-17) We are to sacrificially serve others out of a heart motivated by love, denying self, which is an ear-mark of those who truly follow Christ. (Jn 13:35) True servanthood cannot be manufactured in the flesh but is a byproduct of a life lived in submission to the Holy Spirit.

Philosophy of Education

Christianity affirms that God is the source of all truth and His glory, the end of all learning; therefore, Wayne Christian School “the school” believes that education is experiencing knowledge through the prism of this divine truth. As an educational institution, we accept the responsibility of providing a quality education through qualified instructors and a viable curriculum. As a Christian institution, our educational objectives are founded upon the biblical themes of inspiration, creation, God, redemption, man, wisdom and knowledge, reality and life, and parental accountability.

Wayne Christian School believes that God is and is Creator of all, the single source of all things—the premise upon which all reality is determined and education is centered. The learners, the learning, the learning environment, all are meaningful as means and ends to the glory of God. Therefore, the ultimate objective of education is to know God and please Him in knowledge, thought, and experience.

The Bible, God’s Word, is the indisputable revelation of God. It reveals and explains the person and purposes of God. It is the foundation of education: an indispensable source of knowledge and wisdom. Therefore, the understanding of Scripture is a primary educational purpose.

God revealed Himself not only in creation and the Bible, but in the persons of Jesus Christ and the Holy Spirit. Through His Son Jesus Christ, God the Father redeems those who believe from sin and death which are the consequences of the fall. Believers are new creations restored to God’s order through His Spirit. The Holy Spirit as divine Teacher, enables the Christian to understand truth and to live an obedient life in submission to the Lordship of Jesus Christ. None can boast of a complete educational program when deprived of this understanding.

Our motto is “in pursuit of wisdom and knowledge.” To Wayne Christian School, knowledge is the understanding and unity of information. Information is the particulars of how creation works and consists. This information brings an awe and respect for God and His purposes; therefore, “The fear of the Lord is the beginning of knowledge...” (Proverbs 1:7).

Along with knowledge, Wayne Christian School pursues wisdom as an underlying objective in education. Wisdom is the skill needed to make life’s decisions, develop character, and practically apply God’s Word to life. In other words, instruction and learning must be relevant to the concerns of our times and the issues of life.

Wayne Christian School is an extension of the Christian family. We share in the parent’s divine obligation to nurture children in the truth, to protect them from the error of relativism, the evil of anarchy, and the spirit of secularism. Therefore, we in loco parentis, serve as teachers to our students.

As a Christian educational institution, we acknowledge our responsibility to provide for our students a safe, nondiscriminatory environment which is conducive to learning; and a curriculum that acknowledges the varied phases of human learning and development. To accomplish these objectives, we strive to maintain a capable faculty who serve as role models for their students by maintaining personal and spiritual balance in their lives. We also enjoy the benefits of strong parental involvement.

Wayne Christian School is committed to this philosophy of education on behalf of those children and young people entrusted to us.
